FROM THE PASTOR'S DESK

Welcome to Father Ferdinand Okafur this weekend. He will preach at our weekend Masses about the Church's ministry in the Diocese of Auchi in Nigeria. Father Okafur comes to us through the Missionary Cooperation Plan that we participate in each year through the Archdiocese of St. Paul and Minneapolis. The Diocese of Auchi is a rural diocese that was created in 2002. The lay faithful, religious, clergy and bishop have collaboratively embarked on witnessing and proclaiming the Gospel through education, health care services, charitable works and pastoral ministry. A recent project in the Diocese of Auchi is the construction of a catechetical center where people can be formed in the Catholic faith, learn ways to teach and give witness to the faith, and learn about interreligious dialogue. There will be a second collection at Mass this weekend to support the Church's ministry in the Diocese of Auchi. You may also give to the mission collection next weekend by writing "Mission Collection" on the front of a blank envelope and give with cash or a check made out to "St. Pascal Baylon Church" with "Mission collection" in the memo line. You may also give online at our parish website, stpascals.org, by going to the "Give" drop down menu on the main page, then click on "Special Collections" and then go to the "Mission Cooperation Plan" option. Thank you for your prayers and support for the people of Auchi, Nigeria.

Come join us for National Night Out, Tuesday, August 2, 6:00 – 8:00 PM in the church parking lot. Last year's National Night Out gathering was a lot of fun, and it is a great opportunity to meet our neighbors.

Volunteers needed to visit our neighbors to invite them to National Night Out. We are looking for volunteers to go out this week in pairs to the neighborhoods within one block of our church campus to invite people to our National Night Out gathering. There are city maps and National Night Out flyers on a table in the Gathering Space showing the city block to visit. Pick up a map and 20-25 flyers, visit the homes, knock on the neighbor's door, and if the person answers the door, then say: "We are from St. Pascal Baylon Church, and we are hosting a National Night Out gathering in our church parking lot on Tuesday, August 2nd, and you are welcome to join us! The event is free, and we will have music, food, prizes and fun." If the person does not answer their door, you can leave the flyer in their door.

Prayer Intention of Pope Francis for July 2022: *Families.* We pray for Christian families around the world; may they embody and experience unconditional love and advance in holiness in their daily lives.

God Bless You,

Father John Mitchell

Rite of Christian Initiation of Adults (RCIA)

RCIA is available to any person seeking full membership in the Catholic Church. Each year adults, youth, and children who want to convert from a different faith tradition or finish their sacramental initiation come together to learn about the church through prayer, formation, and liturgy. It is an initiation process for:

- Adults who have never been baptized
- Adults who have been baptized but not completed initiation sacraments of Eucharist and/or confirmation
- Adults who have been baptized in another faith tradition and wish to become Roman Catholic
- Children over the age of 7 who have not been baptized

Faith in Action

Respecting Dignity of All Persons

The Elderly and Those Near Death

As a youth centered culture, we as a society often tend to devalue the elderly. Some elderly people are treated as if they are invisible. If we take the time, we can learn much from those who are courageously facing the later years of their lives. Even people near death have much to teach us and should be respected to the moment of natural death. Many elderly people have family members nearby who visit often and help in whatever way needed. Others do not. Is there someone in your neighborhood who would enjoy a visit? Can you stop the busyness and take time to listen to a story? Are you called to be a hospice volunteer? There are many ways, small and large, where we can recognize the dignity of others. What new action can you take?

— REGIONAL SCHOOL NEWS —

Apply today—St. Pascal Regional Middle School

Our Middle School students in 6th-8th grade are immersed in a stimulating environment where they learn to take risks and try new endeavors every day. Through classroom discussions, presentations and debates, students are urged to express their feelings, needs, thoughts, and ideas honestly, responsibly and respectfully. Our teachers give students opportunities to make decisions and act independently as they assume the responsibility of being accountable for their academic and behavioral choices. We believe students need opportunities to connect with their peers and feel comfortable in the environments in which they live. This connectivity is especially important for our maturing middle schoolers who are taking on greater responsibility. Students need to feel confident and gain more independence. To this end, we provide an environment where connections between cognitive and social-emotional learning empower students to become globally-minded citizens. We invite you to take a closer look at St. Pascal's Middle School. Contact us to learn how your child can be a part of our amazing community! Visit www.stpascalschool.org.
