In the Gospels, Jesus is portrayed as the story teller of God. The stories he tells are known as parables. These are stories with meaning thrown alongside and deal with believers relationships to God and to one another. The largest number of parables are found in the Gospel of Luke. This program will look in detail at the Gospel of Luke's parables on treating the poor and prayer as well as Luke's two most famous parables, "The Prodigal Son" and "The Good Samaritan."

*Participants are asked to please bring a Bible to each session.
If you do not have a Bible, some will be available for your use.*
