

St. Pascal's Legacy Society

Who can become a Legacy Society Member?

Anyone who makes a planned gift in any amount will be eligible for membership into the St. Pascal's Legacy Society. St Pascal's Legacy Committee wants to spread the vision that St Pascal's is a parish with a great future, and encouraging planned giving.

What is a planned gift?

Through bequests, trusts, life insurance, and other tools, you can make a substantial difference in the future of our parish. St. Pascal's would welcome the opportunity to discuss how a planned gift can allow you leave a legacy of hope for St. Pascal's.

Planned Giving – A Life Affirming Process

Making a planned gift is a life affirming process – a time to reflect about people, organizations, and beliefs important to you - and how you can support them. A planned gift presents you, regardless of income or assets, the opportunity to provide support for St Pascal's mission to serve and support our community of faith.

How will the money from estate or planned gifts be used? This is up to you. Perhaps you want to help build St. Pascal's endowment, which will support the on-going needs of the church for years to come. Or you may want to help pay down the principal of our mortgage, or provide scholarship assistance for our school. The key question to ask is: what legacy do you want to leave your faith community?

Let us Know, please.

Many of our supporters have chosen to let us know about their generous gifts that will one day benefit Saint Pascal's. As you can imagine, these gifts are very important for those we serve. If you have made arrangements for an estate gift to Saint Pascal's, we hope you will share that information with us so that we may welcome you into the Legacy Society. **We wish to properly thank you today for the difference your gift will make tomorrow.**

Please return the bottom half to parish office.
