Bequest and Beneficiary Designation Language

Bequests
The following is recommended language for your bequest via will or revocable trust:

"*I give {the sum, percentage or description of property}* to the Church of St. Pascal Baylon, St. Paul, Minnesota, for the benefit of {*insert specific purpose if desired}* to be used according to my written instructions on file with the Church."

All gifts in support of St. Pascal's should be directed to our legal name, *Church of St. Pascal Baylon*, and specific instruction about the use of the gift is provided through the Statement of Future Gift form. The Statement of Future Gift form is used to document your wishes on the specific use of your estate gift(s) and to state your preferences for recognition. All donors who make an estate gift in support of St. Pascal's are welcomed into St. Pascal Baylon's Legacy Society.

Beneficiary Designations
In order to name the Church of St. Pascal Baylon as a beneficiary of retirement plan assets or other assets distributed via beneficiary designation, contact the retirement plan administrator(s) and/or the financial institution(s) and request the proper beneficiary designation form(s).
