- II. Parishioner comments:
Keith Kuehl was present to update the Council on church security. There are 18 cameras covering the campus. Another \$1,800 net cost going forward. No monthly fee. The council asked a number of questions. One of them was about the training that ushers received and whether it is adequate and what needs to happen in the future that will get the ushers up to speed. We need to write an updated usher job description that will include their responsibilities regarding security. Keith is working on that. What is the rollout of some of these new security features for the parishioners? We need to make sure parishioners know what is going on and that they are recorded. A bulletin announcement will be written. Keith suggests a raffle to help pay for the security system, but the Council rejected that idea.
- III. Pastor's Report:
Discussed the Co-Cathedral and what that addition/change means for the Diocese. Msgr. Tom announced he will retire and his last Mass will be the weekend of June 30-July 1. There will be a bulletin announcement.
