

PARENT PLEDGE OF COMMITMENT

Recognizing that parents are the most important teachers of their children in matters of faith:

+ I commit to fostering my child's growth in the faith by regular family participation in the life of the community including:

- ❖ Regular attendance at Mass.
- ❖ Participation in parish faith formation programs, Catholic school, and/or Youth Ministry, as appropriate.
- ❖ Participating in opportunities to provide service to others.
- ❖ Being involved in the sacramental life of the parish, to the degree that I am able, as a witness to my child.

+ I commit to attending all sessions with my child.

+ I commit to prepare my child for this sacrament by completing the materials with them.

+ I commit to teaching my child the basic prayers and responses for the celebrations of these sacraments.

+ I commit to pray with, and for my child throughout this time of preparation.

+ I will, with God's help, continue to share the gift of myself and the gift of faith with my child, with our family, and with the parish community after this preparation has ended.
