

ST WILLIAM CATHOLIC CHURCH - WALLED LAKE

Small Faith Groups

Beginning in January of 2022 we are forming small faith groups at St. William. The purpose is to help and support members in the growth of discipleship, learning more about and growing in one's Faith, accompanying each other, creating small communities that expand the role of our larger parish community and charitably challenging each other to be the best version of ourselves!

We are trying to form groups with a common experience such as young adults, widows / widowers, parents with children going through a sacrament, parents in the school or religious education, retirees, or Bible studies, RCIA to mention a few. In addition to participants, we are also looking for individuals to facilitate these small faith groups in home or virtually. Sign up at this site and you will be contacted by a member of the Leadership Team to gather information on your interest in a certain group and your availability to meet. Our desire is to build a strong Catholic parish that helps all to grow in Discipleship and Witness to the Good News!
