JULY 16, 2023 THE FIFTEENTH SUNDAY IN ORDINARY TIME

Dear friends,

Things have been busy around here in our parish. This is the week to get all of our chicken dinner orders in. We've sold about 800 tickets so far so we have a ways to go to get to our target of 2400. The good thing is that everyone likes a good chicken dinner and we have the best one in the area. Everyone should have received dinner tickets to buy. And of course we have extra dinner tickets to sell. Remember you need to get your sold dinner tickets to us by the 24th. If you need more tickets, call/text me (812-499-9074) and I'll make sure you get them. Be sure to check with your friends and neighbors. We don't want them to miss out on a great dinner!

Don't forget to get your sold packet of raffle tickets back to us. So far 51% of our families have returned their tickets. Our raffle ticket sales are the biggest source of income for our social so it is important that we get everyone to help by doing their part.

This coming Monday, we will begin our social dinner preparations by making dumplings. We'll start at 7 am. Bring a rolling pin and/or pizza cutter and join in the action. No experience is required. You'll be an expert in no time!

In the meantime, we are continuing our "Rebuilding our Church Campaign." It is very gratifying to see how many folks have stepped forward to make their pledge. So far, 154 families (30% of our parishioners) have pledged 86% of our goal of \$600,000. What a tremendous outpouring of generosity. I'm confident that the remaining 70% of our parish families will be able to pledge the last 14% of our goal. If you need another pledge card, let me know and I'll get one to you.

And while all these things are going on, lots of other maintenance items are being taken care of. So many of those are

things that happen behind the scenes. This week Dave Spaetti and Alan Inkenbrandt fabricated and installed a set of stairs on the school roof that will allow folks to move easily between the different levels of the school roof.

Earlier this past week, Brad Dick, Kyle Coats, Josh Elfreich, Dennis Gibbs, Vernie Gries and Dan Lasher too care of the trees we lost during our recent storms. Thanks also to Jim Scheller for clearing the dead limbs away from our mailbox.

And, as always we continue to be grateful for our lawn mowing crews for their efforts. Despite all the hot and muggy weather we have been having, they continue to keep our parish campus looking great. Special thanks to Jerry Happe for taking care of our mowing equipment and for spraying all the weeds.

Leaning into the journey of life

Eucharistic Adoration

Each Monday we invite people to come to pray before the Blessed Sacrament from 7 am to 6:30 pm. We gather in our temporary chapel in the parish rectory. We are always looking for new people to take the place of those who can no longer come for an hour of adoration in church. You can sign up to come for a regular hour each Monday or just come when you can.

The teachers and staff of our school will be hosting a Teacher Car Wash on Monday, July 17th from 4:00-6:00 PM in the school parking lot. We are now looking for someone to head up the removal of the carpet in church. We need to put the carpet in the dumpster located on the west side of the church. We also need some folks with trucks who can take the statues, baptismal font and other altar furnishings out of the church sacristies.

If you can help lead this project, call Bob Fehrenbacher, 812-453-0669.

This week we were able to finish repairing all the pews and putting a coat of conversion varnish on them. We were blessed to have the leadership and skill of Bob and Gary Fehrenbacher who oversaw this project. We were blessed as well to be able to use the facilities at Fehrenbacher Wood Specialties and Fehrenbacher Cabinet to make repairs to the pews and to build and install the new 80 center supports.

We were also blessed to have a great group of folks help with the repair work and with moving the pews out of church to our storage building where we were able to put a coat of var-

COME JOIN US IN WELCOMING DR. LEO TO OUR PARISH

Next weekend we will be welcoming Dr. Leo Bertulien, to our Parish July 22 and 23. We have been supporting his work in operating a fish farm. This effort was led by CJ Martin who got to meet Dr. Leo at the fish farm in June of 2021. The fish farm has been producing tilapia since 2021. With the support we have been giving him, Dr. Leo is able to supply fish for the school lunches for the children who are attending the parish school at our sister parish in Haiti, St. James. Dr. Leo wanted to come and express his gratitude and share his ministry with us.

Dr. Leo was born in Plaine du Nord December 15, 1966. His father left his mother when she was pregnant with him. His mother did her best to provide enough food which is extremely challenging in Haiti. She passed away when Leo was 13 years old. After his mother's death, Dr. Leo was on the streets by himself trying to survive. He was then cared for by pastor Tony who helped provide food and get him back in school. Three years before he finished high school a missionary named Dr. Ted from Clearwater Florida noticed the potential in Leo and became fond of him. Dr. Ted finished putting Leo through high school and then Medical school in Port au Prince.

He started his ministry by sponsoring some children in Port au Prince while still in school. This year he celebrated the 25th Anniversary of his ministry. After graduating from medical school Dr. Leo committed to returning to Plaine Du Nord and building a school in 2001, which has turned into a school, medical clinic, fish farm, chicken farm and gardens. There are approximately 350 students at his school Evangelique Maranatha (Our Lord Has Come). He has devoted his life giving back his time, talent, and treasure to serve Christ and the poor children in his community.
