

## TEENS FOR TLC WALK

Transitional Living Center (TLC) provides shelter, necessities and services to women and families from Burlington and the surrounding areas. TLC is more than a homeless shelter; they provide services to help women become employed and independent. We are asking you to support TLC because they care for our community's most vulnerable.

We, as concerned high school students, with support from our Burlington-Lyons Catholic Community, will walk to raise awareness and funds for TLC. We will be walking on the White River Trail, from Spring Valley Road to St. Joseph Church in Lyons where we will hold a mass for the specific needs of the women, children, and families at TLC. This is a great learning opportunity for us but, more importantly, a chance to improve the lives of our neighbors. We hope to do our part to improve our community and our world.

I hope you will consider being a sponsor for Teens For TLC. Our goal is ten thousand dollars, given to TLC to support their center in these difficult times. When you give \$75 or more, you will be considered a sponsor. Any size donation will make a world of difference for our neighbors whose world is in crisis. Please look online for more info and other ways to give: [www.tlcburlington.com](http://www.tlcburlington.com)

Thank you for your time, prayers, and generous consideration.

Please fill out the form and return it with your donation to TLC by October 30.
