

St. Andrew Catholic Church

Re-Opening – Phase I

As we strive to find a new normal going forward, we ask for your patience as we begin to slowly re-open our Church with as much consideration of safety for all.

Phase I will begin by opening our doors for **PRIVATE PRAYER ONLY**, beginning **this week May 1 and 2**, and the during the week of **May 4-9**.

Weekdays

Private Prayer - 10-12noon – Chapel

Saturdays

Confessions - 9:30-10:30am – South Entrance

Priests will be stationed in the following areas:

South Cry Room, North Cry Room, and Main Entrance Vestibule

Private Prayer – 10am-12noon – South Entrance

Strict social distancing is required during this time. We will have a monitor who will only allow a certain amount of people in the Chapel/Church at one time.

We ask that you come in for prayer and limit your time to 5-10 minutes so others can come in and take advantage of time with our Lord. Parishioners are encouraged to

- Wear masks if at all possible
- Be aware of social distancing – 6 ft apart
- Use the hand sanitizer available at window sills
- Upon leave of the church please leave the campus and not converse in the parking lot; *we don't want people breaking social distancing by gathering in the parking lot.*
- Parishioners are still encouraged to stay home if ill
