SCHOOL OF RELIGION COVENANT AGREEMENT

September 4, 2020

Dear Parent(s) of School of Religion students,

This year our school year is going to look a little different than previous years, however it is our hope by proceeding in the curriculum and activities we are providing, it will not only grow your child's faith and their relationship with Jesus Christ but also your faith as their parent and together as a family as well.

St. Bridget School of Religion cares deeply about the faith and formation of your children in our School of Religion.

We want to work with you in partnership to share our mutual faith with your children.

We promise that we will do all in our power to share our faith and teach the Catholic faith to your children.

This year you will be doing weekly family ministry in your home. We will provide you with all the materials to meet as a family within your home weekly to discuss, learn and grow your faith and knowledge of being Catholic together within the family unit. We will also come together periodically to do a family faith ministry event at the church.

We would ask that you help us fulfill these promises to you and your children by promising to do all in your power to share your faith and teach your religion to your children each and every week. This promise also includes regular attendance at the Eucharist taking place at Church or Streaming a Mass Service, and committing to weekly family ministry and making both of these a top priority.
