Online Giving is here at St. Bridget Parish. You can easily access the web page by going to the parish website or by using their credit card. Electronic giving allows you to set up a regular monthly donation transaction, change your current transactions, or give a one-time gift to St Bridget. We have 42 families who currently utilize electronic giving every month via a checking or savings account or by using their credit card. All transactions are administered by a secure provider, Vanco Systems which then integrates with our church census and our online giving system. Transactions are secure, and your data protection is very important. If you have any questions, please contact the parish office.
