CHAPEL TO MOTHER MARY &

Do You Want to Give to Help With our Chapel to Mother Mary and the Tabernacle being Placed in the Middle of St. Bridge?

If you are wanting to donate money specifically for the Chapel to our Mother Mary or to help in placing our Tabernacle in the middle of our church, please write your checks to “St. Bridget Catholic Church,” and write the word “Chapel” on the front of the envelope. You can also put your money in any kind of envelope (meaning it does not need to be a church envelope specifically) with the word “Chapel” on the front of the envelope and your name so that we can credit your titling for your taxes at the end of the year. These can be put into the collection basket or turned in to the parish office.

Understanding Why Mass is Done The Way It Is In the Catholic Church and Other Catechetical Notes on the Catholic Faith:

Dear Friends in Christ,

As you can tell by now, I absolutely love the Holy Sacrifice of the Mass. It is where all of us as Catholics dive into the deepest of all mysteries as we approach the Altar where the Sacrifice of the Cross is made mysteriously re-presented. I have studied the Mass at length in the seminary and into my years of priesthood, including church architecture and liturgy as a whole, with my seven years in the Catholic seminary and living in Rome for one summer as part of a studying abroad program for seminarians in studying Church History and church architecture. My studies tied into all aspects of the Mass, from the actual event to the structure and architecture of churches throughout the history of our beloved Catholic Faith.

This is going to be a multiple series in the bulletins, so if you would, please read these as the weeks go by. If you simply want to have the full copy in hand and read everything through instead of waiting from week to week, full texts are available online at www.fertilitycarekc.com or call the FertilityCareTM Center of Kansas City at (816) 858-0198.
