We hate to hear that we have failed. But it is better to face God’s Vineyard failure than to ignore it. If we have sinned, it is better to confess to God than to imagine that we are righteous.

Isaiah’s parable of the vineyard is a story of failure. It is hard to hear. He tells of a friend who planted a vineyard, formed October Content Recommendations system (Creighton Model) Introductory Session is offered monthly at a variety of area locations and long distance. From Msgr. Murphy:

We had a nice crowd out at City Lake for our Annual Mass. It was a little breezy (but, then, it always is). Thanks to my brother Knights; our musicians; Bill Kennedy and all who attended.

Congratulations to Justin Wood and Nickoy Cooper who are married here this weekend. As they say to the Pope: “Ad Multos Annos” (“To Many Years”).

This week I will be attending the annual “Fall Assembly Days for all Priests”. It is being put on by the Spitzer Center for Visionary Leadership.

Most of us know how much work is involved in caring for a garden. Just imagine how much work is involved with setting up an entire vineyard. Isaiah describes some of what is involved in today’s first reading. Imagine when the Jews found out that they were the vineyard he was singing about. From history, we know Isaiah’s prophecy literally came true when the land was over run by pagans. Jesus talks about a vineyard as well. He is the son of the owner of the vineyard. Notice the reference that the son is thrown out of the vineyard and killed. The lesson for us? The workers in the vineyard did not want to recognize the owner of the vineyard as being in charge. They wanted to be in charge and make up their own rules. Who loses when we don’t let God be in charge of our lives? Us!

Online Giving is here at St. Bridget Parish. You can easily access the web page by going to the parish website or by scanning the QR code. Electronic giving allows you the freedom to set up a regular monthly donation transaction, change your current transactions, or give a one-time gift to St. Bridget. We have 42 families who currently utilize electronic giving every month via a checking or savings account or by using their credit card. Electronic giving is an easy and consistent method of donating to St. Bridget. Now, you can have more control of your donating activity. All transactions are administered by a secure provider, Vanco Systems which then integrates with our church census software to account for donations. Your transactions are secure and your data protection is very important. If you have any questions, please contact the parish office.
