In My Name

• At that time, John said to Jesus, “Teacher, we saw someone driving out demons in your name, and we tried to prevent him because he does not follow us.” Jesus replied, “Do not prevent him. There is no one who performs a mighty deed in my name who can at the same time speak ill of me.” Mk 9:38-39

**MY ANCHOR FOR THE ROSEY RALLY**

By Sister Mary Alice Grimm, O.S.B.

As the days of September pass quickly, it is with a sense of anticipation that I think about the upcoming Rosey Rally that will be held on October 7th from 3 to 5 pm. This event, with the theme “A Rosey Rally for Our Lady of the Rosary,” will provide a refreshing opportunity for our faith community to come together and build on our commitment to our faith tradition.

As we prepare for this event, I am reminded of our faith roots and the importance of the rosary. The rosary is a powerful tool that helps us to connect with our faith and develop a deeper relationship with God. It is a way for us to reflect on our lives, our relationships, and our relationship with the divine.

During the Rosey Rally, we will have the opportunity to pray the rosary together, allowing us to connect with others in a shared experience of faith. This event will also include various stations that will provide opportunities for prayer, reflection, and learning.

As we come together to participate in this event, I encourage you to reflect on your own relationship with the rosary. Do you have a rosary? Do you pray it regularly? Do you find the rosary to be a helpful tool in your spiritual journey?

At this tumultuous time in our culture, in our country, and in our Catholic Church, we are called to prayer! Right now, 60,000 prayer warriors across our nation are taking part in a 54-day Rosary Novena for Our Nation. This culminates on October 7, the Feast of Our Lady of the Rosary and Respect Life Sunday. I would like to encourage all of you to plan to join the public prayer of the Rosary on October 7th for Rosary Coast to Coast. Rosary Coast to Coast will be anchored by the 3rd annual National Rosary Rally in front of the US Capitol in Washington DC on October 7th. People from all over our nation will gather simultaneously along coasts and borders, at state capitols, in other public places, and outside parish churches.

Let us pray together for our nation, our communities, and our families. Pray for a culture of life, respect for the sanctity of human life, and for the protection of the unborn. Pray for our leaders to make decisions that honor God's plan for our world.

Let us come together on October 7th to pray the rosary and to stand in solidarity with our fellow believers across the nation. Together, we can make a difference in the lives of others and in our world.

May God bless you and guide you on your spiritual journey.

Sister Mary Alice Grimm, O.S.B.

The problem is especially strong when people step into our own area of expertise. If you have devoted your life to a craft or skill, it’s not right for some amateur to take more attention than you receive. If you trust your own advisors, you don’t need help from someone who does not fully understand the situation.

However, the Holy Spirit has a very annoying habit of offering us help through people who otherwise shouldn’t have much influence at all.

Take Eldad and Medad, for example. In the Book of Numbers, God sent some of the spirit that was on Moses to the seventy elders, and they prophesied. But Eldad and Medad were not in the gathering at the time. The spirit came to rest on them anyway. Sometimes God speaks to us through people we’d rather not listen to at all.

But Moses wished that God would send the spirit of prophecy on all the people.

Sometimes God speaks to us through people we’d rather not listen to at all.

The Annoying Choices of the Spirit
When other people overstep their boundaries, we usually object. We don’t need the inexpert help of well-meaning busybodies who get in the way.
