### ***Kathy Kelly Music Scholarship***

Attention High School Seniors: A one-time scholarship is available for any High School senior in the parish who has participated in the music ministry at St. Peter's. This scholarship is possible because of the family and friends of our beloved Kathy Kelly, whose love for music was so evident by the many years of service she gave to our church. The deadline to apply is April 1, 2026. Please contact the parish office for an application

### ***Kesler Memorial Scholarship***

The Kesler Memorial Scholarship is available to high school seniors who plan to attend college, either traditional or technical. (KESLER is pronounced like Keysler.) The scholarship was established to honor the memory of Jack and Kit Kesler, long time parishioners of St. Peter's, and their son, Larry, who was killed in Vietnam. Applications for the scholarship are available in the parish office and must be returned by April 1, 2026.

### ***Doyle Scholarship***

The Doyle Scholarship is once again available to high school and college students. If you are going to college or are in college, you may apply. You may apply more than once if you have not received the scholarship in the past. Also, if you are an adult thinking of going back to school, then you should apply as well. Applications are available in the St. Peter's parish office and must be returned by April 1, 2026.

### ***Everyday Stewardship***

I saw a slogan once for an Internet start-up: "There is one rule; there are no rules." In fact, when I searched for this slogan again online, I was surprised at all of the variations on the "no rules" sentiment. Apparently, even Justin Bieber has a documented quote: "I want my world to be fun. No parents, no rules, no nothing. Like, no one can stop me. No one can stop me." Wow. My own kids seldom read my reflections. If they are reading this one, don't get any ideas!

Of course, a society without laws or rules will not exist for very long. The laws of a society are there to protect us from perhaps our greatest enemy: ourselves. We can't just do whatever we feel like. We will eventually hurt others or ourselves. The laws of God and his Church have the same effect. Sinful and imperfect people need parameters. Christians who choose sin or their own will over God's commandments not only break the relationship they have with their God, but they hurt others and diminish the body of Christ.

A stewardship way of life asks of us to live in a certain manner. We sometimes think that our cultivation of gifts and giving them back with increase to God is for God's sake. God's commands do not benefit God, for God is complete and perfect without need for increase. But this way of life is for the benefit of his creation. There is no power struggle here between a God of rules and his children. The cross bears witness to that. Instead, God's "rules" prevent us from destroying ourselves, and give us a path so we may flourish. Whether you are an ordinary Joe or an ordinary Bieber, following God's commands will lead to the real satisfaction in this gift of life.
