Attention High School Seniors: A one-time scholarship is available for any High School senior in the parish who has participated in the music ministry at St. Peter's. The deadline to apply is April 1, 2026. Please contact the parish office for an application

### **Kesler Memorial Scholarship**

The Kesler Memorial Scholarship is available to high school seniors who plan to attend college, either traditional or technical. (KESLER is pronounced like Keysler.) Applications for the scholarship are available in the parish office and must be returned by April 1, 2026.

### **Doyle Scholarship**

The Doyle Scholarship is once again available to high school and college students. If you are going to college or are in college, you may apply. ### **Everyday Stewardship**

I recently watched the film adaptation of "Godspell" with my teenage daughter. I had such fond memories of watching it when I was young, back in the day. I listened to the soundtrack so many times and learned to play many of the songs on my guitar. The exclamation from the show, "You are the light of the world!" has always been firmly planted in my mind.

After about ten minutes, my daughter looked at me with that look only a teenage girl can display. "What is this?" she asked with a certain level of condescension. Yes, the film did not hold up so well in the eyes of the twenty-first-century critic. So we laughed most of the way through it.

What attracted me to the film and the soundtrack in the first place wasn't Jesus in a Superman shirt or the idea of the apostles wondering around the urban jungle. I was attracted to the message. I was attracted to that assertion in the song, "You are the light of the world."

There will always be people who see the Gospel of Jesus Christ as dated, irrelevant, and even hokey. You and I are called to be the light of the world? Good stewards must never shy away from living lives that truly bear witness to the reality of the Gospel. The parables of Jesus have as much meaning for us today as ever. Look around. The world we live in needs a little light for sure.
