# **KING OF KINGS**

St. Mary's Church is pleased to present the original Cecile B. DeMille's epic silent film *The King of Kings*, featuring a live musical soundtrack performance by the St. Mary's Youth Choir and Cantorum Vigilae under the direction of Cody Mead, Director of Liturgical Music.

Originally produced in 1927, the film is both spectacular and deeply reverent and is one of the most ambitious presentations of the final years of the life of Jesus Christ.

The performance, created specially for St. Mary's Church, is produced by Peter Edwin Krasinsk, a world-renowned organist and award-winning creator of live improvised silent film presentations.
