Simply Accessible

CHURCH Accessible Restroom & Doors **FUNDRAISER**

Why do we need an accessible restroom and doors?

Berry Hall has the only restroom facilities to use during Mass for those that need an accessible restroom or baby changing station. Doors are hard to open when using a walker, cane or wheelchair. We need to be Simply Accessible to all our parishioners.

OUR BUILDING PLAN

Our expected cost for the accessible Church restroom and doors is \$50,000. Our kick off will be September 30, 2018, after 9 am Mass. Please mark your calendars to join us. We will have our Architectural design and all details to share. Our goal is to have our fundraising completed Spring of 2019, so work can begin.

HOW YOU CAN DONATE

- Special Envelopes will be available in the pews and entrances of Church. You can make same day donation or take with you for future donation.

Only you can measure the abundance of blessings you have received and are able to return in time, talent and treasure. We ask for contributions of equal sacrifice, not equal amounts!
