

“Lord, even as we enjoy the Super Bowl football game, help us be mindful of those without a bowl of soup to eat.”

It has been 31 years since the nationwide Souper Bowl of Caring was founded and has since raised more than \$10 million in cash and food for organizations that fight hunger. The Souper Bowl of Caring uses the energy of the Big Game and transforms it into a nationwide movement, inspiring our youth and others to give locally and make a collective impact on hunger.

However, this year our Souper Bowl is going to look a little different. Even though our youth group members will not be at the door holding the soup pots, the pots will still be available in the vestibule to receive your donations the weekend of February 6th and 7th. Please be a part of this movement that is sharing God's love with those in need. Your \$1 donation in their soup pots is just the ticket to assist local families.

Thank you on behalf of those who benefit from your kindness.
