Weather-Related

During the summer months, if the weather is such that you cannot make your assigned time, please call the Chapel Coordinator. A replacement will be found, or the Chapel will be closed.

During the winter months, the general rule-of-thumb is if the schools are closed, the Chapel will be closed. If this school closes during the middle of the day, please call the Chapel Coordinator. Arrangements will be made to close the Chapel.

If you are unable to make your scheduled time due to snow or icy roads, please find a substitute if possible. You may otherwise contact the Chapel Coordinator.

Messages and/or phone calls will be sent out to all adorers regarding the status of the Chapel as applicable regarding weather related closings.
