

USHERS' SCHEDULE

JANUARY-FEBRUARY-MARCH 2021

*The order is switched around so that the same people are not scheduled for Christmas in 2021.

*The winter season is upon us and so many of you have very graciously helped out with icy steps and walks at church when you were ushering; going way above and beyond what you have volunteered to do. For that we are extremely grateful. The Phil Stickel Family is in charge of snow removal, but as you know there are some winter storms that are impossible to keep up with, like when it is snowing during Mass. In the event that the steps and ramps become icy or snow covered we have put ice melt and snow shovels in the basement stairwell in the back of church, and also in the entrance to the Parish Center. We ask that if you do use the ice melt (salt mixture), that you use only the minimum amount necessary. Excessive amounts of salt on the concrete can damage it and salt can also be tracked onto the carpet in church. We greatly appreciate your help with this. Thanks for all you do for St. Remy's.
