

# OLD LAPTOP?

USE IT TO HELP OTHERS

## LAPTOP DONATION DRIVE FOR AREA FOSTER KIDS

The Children's Guardian Fund (CGF) & Sarasota Technology Users Group (STUG) have teamed up to collect used computer laptops.

With a long history of recycling and safety, the STUG sanitizes the hard drive with a seven-step process that protects the donor's information.

The STUG employs software similar to that used by the U.S. Department of Defense to completely eliminate all data on the hard drives.

They then refurbish the laptop and install software that is typically required for school. Refurbished laptops are distributed to area students in foster or state care through the CGF and the Guardian ad Litem Program.

**DON'T FORGET THE POWER CORD!**
