## The Catholic Funeral Mass

Planning your funeral service ensures that your wishes will be fulfilled. This pre-planning will assist your loved ones in seeing that your exact desires will be reflected in a respectful funeral service in keeping with “The Order of Christian Funerals.”

Do you have an Old or New Testament reading that is meaningful to you? Would you like your favorite Catholic hymns to be part of your service?

If you are interested in pre-planning your funeral liturgy, please contact Peter Matrow at 413-267-3489. He will be happy to meet with you at the rectory or in your own home.

Funeral Home and Cemetery arrangements are separate from this pre-planning.
