**SPIRITUAL ADOPTION PROGRAM:**  
Month Four—Well, your little baby now weighs six ounces. He has fingernails and eyelashes. He has his own unique fingerprints, which will remain the same until he dies. His taste buds are working. His sense of hearing is developing and present at 14 weeks. There are no major developments anymore. Your spiritually adopted baby is already well-formed, internally, and externally. All he needs now is time to gain weight and grow strong. What a miracle he is!

**QUESTION: WHY DO CATHOLICS GENUFLECT BEFORE ENTERING THE PEW?**

Answer: Genuflection is an act of reverence toward Jesus truly present in the Eucharist in the tabernacle. By bending the knee, we acknowledge Christ as Lord and center our hearts on His presence before we pray. But this small gesture also asks something of us: Are we truly aware of Who we are kneeling before?  
Our faith is more than routine or habit. Each prayer, each sign of the cross, each moment at Mass is an invitation to be present, attentive, and intentional. May we not simply go through the motions but allow our actions to reflect a heart that truly believes.
