

COLLECTION DRIVE FOR THE HOMELESS

Our Youth Formation students are conducting a Homeless Needs Collection Drive for the residents at our local Bunkhouse Homeless Shelter. We are asking our parishioners to help us to help them by donating needed items. You can participate by donating now through **December 5th**. Please place any of the items into the marked containers in the gathering area of Church before or after mass, send it with your child for Youth Formation class, or drop off at the church office.

Our teens will be putting together care packages of items collected as part of their retreat.
