The Lent is upon us, let us prepare for the Journey with Christ.

It is time for our journey of Lent, so I am using the update from the “West River Catholic” newspaper to answer some common questions.

“Lent is a season of grace to help both catechumens (those preparing for baptism) and the faithful to enter more deeply into the paschal mystery. In this season, we are called to conversion, a renewed sense of our frailty or sinfulness, as well as profound trust in the new life that flows from the death and resurrection of Christ. The faithful, ever more attentive to the word of God and prayer, prepare themselves by fasting, prayer, and almsgiving. According to universal church discipline, all members of the Catholic faithful are bound to acts of penance. In order that the faithful join in a more common observance of penance, penitential days are prescribed for praying, exercising works of charity, and engaging in acts of self-discipline and denial. The season of Lent affords us with a 40-day retreat to participate in a journey toward rebirth. The holy season of Lent begins with Ash Wednesday, February 17, and ends as the celebration of the Triduum begins during Holy Week.

1. The season of Lent is to be observed by Catholics as a time of prayer, fasting, and almsgiving.

2. Ash Wednesday and Good Friday are the most important penitential days for the liturgical year. They are days of both fasting and abstinence. On these two days, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal one full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices, are allowed. When health or ability to work would be seriously affected, the law does not oblige. Those who are over 18 years of age and under 60 years of age are bound to fast on Ash Wednesday (February 17) and Good Friday (April 02).

3. All Fridays in Lent are days of abstinence. Everyone 14 years of age or older is bound to abstain from meat on Ash Wednesday (Feb. 17) and all Fridays during Lent.

4. The observance of the laws of fast and abstinence are an obligation for all Catholics. To completely disregard them is a serious matter. Those whose work or health would be impaired are excused from fasting and abstaining. The individual's conscience can decide if there is proper cause to excuse from observance. It is sinful not to observe this discipline without a serious reason.

5. Self-imposed fasting on the other weekdays of Lent is recommended. Other penances, such as works of piety and charity, and other acts of self-denial also are appropriate as penitential acts.

6. Parents and teachers should see to it that even children not bound by the laws of fast and abstinence because of age are brought up in an atmosphere that is conducive to a sense of penance.

7. The faithful should be clearly and positively encouraged to participate in the sacrament of reconciliation during Lent. Churches will schedule adequate time for confessions before Easter.”

For more info, please refer to 2017 February issue of the “West River Catholic”.

To Our Lady of the Black Hills family. THANK YOU, for the many cards, gracious words and gifts we received from you on our 40th year in the diaconate. DIOCESE OF RAPID CITY

Building our Mission to the Missions

February 2021

OFFICE OF BISHOP

Dear Brothers and Sisters in Christ,

Thank you for your generous support of the Black and Indian Mission Collection, which is scheduled on **February 20-21** in our diocese. The Black and Indian Mission Collection, established as the first National Collection in 1874, has proven itself to be a successful vehicle for sharing the resources of the Church's members to provide for the needs of our African American, Native American, and Alaska Native brothers and sisters.

Pope Francis reminds us that everyone is called to evangelize. This Collection clearly authenticates Pope Francis' call to us to work as a family to help all of our brothers and sisters and to share the love, faith and hope of Jesus Christ. As we embark on another year of evangelization in the African American, Native American and Alaska Native communities, everyone is encouraged to make a difference by offering their prayers for the fruitful support of the missions in the United States and to consider expressing concretely their Christian solidarity through sacrificial offerings.

The needs of mission communities on our Native American reservations have never been so great as they are during this unprecedented pandemic. The same is true for African American, Native American and Alaska Native communities throughout the U.S. History tells us that lasting change to a community can come through faith, hope and charity. Please continue to support this mission of faith and hope by your most generous charity.

Your support provides for the presence of ministers in missions, parishes, schools, religious education programs and the many diocesan programs and projects that strengthen the work of the Gospel. Your sacrifice impacts pastoral work across the country and addresses the need to train catechists, permanent deacons, and seminarians for future generations.

Locally, the funds received each year from the national collection help support our Sioux Spiritual Center, Native Ministry Office, Catholic schools on the reservations and religious education and pastoral activities in many of the reservation parishes in western South Dakota. Without the support of this national collection, we would be unable to provide many of these services to those most in need.

In 2021, we ask everyone to make a sacrificial gift to the 2021 National Black and Indian Mission Collection and continue to support the evangelization efforts for African American, Native American and Alaska Native communities in the United States. Help us invite all peoples to open the door of faith and begin the journey of a lifetime!

Thank you again for your generous support.

Sincerely in the love of Christ,

Indian Missions at
