## “keeping our eyes fixed on Jesus”

Hebrews 12:2a

As Christians, we often think life should be easy, after all, we do have God on our side. But often that is not the case. Throughout our lives, we experience various struggles, challenges, and difficulties. There are times, the “bad things” which happen to us, might even cause us to question God. Sometimes these bad things are caused by our actions. Sometimes others cause bad things to happen to us. Why would a loving God do such a thing? The answer is He does NOT do bad things. But He does allow them for some good to result.

Several years ago, a young lady told me about the very recent murder of her cousin, by her cousin’s boyfriend. She was struggling with the unexpected and brutal death of her cousin and not seeing a way to forgive the murderer. In our conversation, she asked me why God didn’t stop him from killing her cousin who was a believer in Jesus Christ? I don’t recall my exact words, but I know they were inspired by the Holy Spirit. My reply included something about God giving us the gift of freewill, and He will never take that gift away from us, even if it would be for some other good. One good that resulted from this tragedy, is that young woman returned to the Catholic Church, got her marriage validated, and their child baptized.

In the first reading from Jeremiah, we hear how Jeremiah, telling the people what God wanted them to hear, resulted in him being thrown into a cistern. In our current times, the world needs to hear the real truth which comes from God alone. So many people are in danger of eternal suffering and pain in hell because either they have never been told the truth, or they have chosen the “worldly truths.” There are even many Christians who have decided to follow the world’s truths. They will challenge us that we are wrong. The Catholic Church is wrong. That we need to “get with the times.” These attacks come from their distorted understanding of true compassion, which sometimes results in temporary pain in exchange for eternal happiness.

The “world” even challenged Jesus. In the gospel we hear how Jesus responded, *“I have come to set the earth on fire. ... Do you think that I have come to establish peace on the earth? No, I tell you, but rather division.”* He tells us there will be divisions in families. As followers of Jesus Christ, we need to share God’s truths with the world. Even if it causes divisions in our families. Even if it causes us to suffer. Being a disciple is hard. We have a choice because of the God’s gift of freewill given to us. We can decide to listen to the world or choose God’s truth, by *“keeping our eyes fixed on Jesus.”*

## THAT MAN IS YOU!

is an interactive men's program combining the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of man fully alive. By honestly addressing the pressures and temptations that men face in our modern culture, That Man is You! Seeks to form men who will be capable of transforming homes and society.

# BECOMING A MAN AFTER GOD'S OWN HEART

THE VISION OF MAN FULLY ALIVE

### DISCOVER:

- The scriptural vision of man and the overwhelming scientific evidence that supports this vision.
- The four leadership roles that have been entrusted to men and the five personal traits necessary for fulfilling these leadership roles.
- How and why Satan always attacks the union of man and woman.
- The three main obstacles to living as authentic men and the means for overcoming them.
- The wonderful renewal God is offering to men and their families through the Church.

### PROGRAM DEVELOPER:

**Steve Bollman**  
Developer, That Man is You!  
Founder & President, Paradisus Dei

During the Great Jubilee, Steve Bollman experienced a personal call to found a ministry dedicated to the renewal of marriage and family life. In 2002, he set aside his professional interests as an energy derivatives trader in Houston, Texas, to found Paradisus Dei. In 2004, Steve developed the That Man is You! Men's program, which quickly moved across the country transforming men, marriages and families. Independent research by a Faith Advisor to The Gallup Poll identified it as one of the most life transforming programs ever studied.

## Twentieth Sunday in Ordinary Time

Jer 38:4-6, 8-10 | Heb 12:1-4 | Lk 12:49-53

Written by  
THE  
FAITHFUL  
DISCIPLE

### **GROW** AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

My mom loved her Nintendo 64. We especially enjoyed “Paper-boy,” a video game where a paperboy riding a bicycle attempts to deliver newspapers along Easy Street, Middle Road, or Hard Way. He has to avoid obstacles that pop up along the way – barking dogs, mailboxes, skateboarders, trash cans, you name it! Sometimes life can seem that way. We can’t predict which obstacles will pop up, but the author of the Letter to the Hebrews encourages us to persevere, “keeping our eyes fixed on Jesus.” Whether we’re riding along “Easy Street” or “Hard Way,” we can look to Jesus to help us overcome the hardships that may come our way because we are his followers. As Jesus tells the disciples, following him will not always be easy and may even result in conflicts within our families. When that happens, we can look to the example of Jesus and the great “cloud of witnesses” to whom the Letter to the Hebrews refers, knowing that peace and reconciliation await us at the finish line.

### **GO** EVANGELIZE

#### PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

I used to have great fun watching my boys at our neighborhood swim meets. Even as my then-7-year-old zig-zagged into the lane lines during the backstroke, I would yell “Go! Go! Go! You’ve got this.” (And, please, someone catch his head at the finish!) He couldn’t hear a word I said. I wonder if it’s a bit like this when it comes to the “cloud of witnesses” – the saints, known and unknown, who encourage us in our faith. We can’t see them or hear them, but we know they are there. In turn, we can become cheerleaders for others running the race alongside us: offering encouragement, prayers, and reminding one another of the joy that awaits us. Spoken or silent, our prayers can help us and others persevere in our faith and place our trust in Jesus when times are tough.

**STUDY** The *catechism* chapter 3, The Characteristics of Faith (153-165), references this passage from Hebrews on being surrounded by a cloud of witnesses. Read especially #165.
