This weekend our parish celebrates our Feast Day, the Nativity of the Blessed Virgin Mary. In many ways as we reflect on the life of our Blessed Mother, we can rejoice for heaving such a great witness to God's work in her life. It was not always an easy mission, yet it certainly was a life full of God's glory, a glory that was made known through the generous heart of a mother. In her life, we are reminded that a joyful disciples and generous stewards are attractive. When others see joyful disciples, they say "we want to have what you have." And I need to say, as I reflect on the life of our parish that we certainly have a great community. I am blessed to be here with you.

Our parish vision is to "Build with the Mercy of the Father." We want to build the faith in families by making our parish a school of prayer. We build with mercy as we welcome new families, reach to the needy (Piedmont Valley Food Pantry, located in our church, special collections for those affected by disasters, St. Vincent De Paul Society, Annual Diocesan Appeal,), and as we share the Gospel with the unchurched (RCIA, Adult Faith Formation...) And we need to remember that the vision requires stewards who serve and give generously.

Throughout the year, we have an opportunity to respond to the call for the good of our parish family. With the parish employees, I am doing my best to care for your talents, and for every donation you make to the Church. We do what we can to maintain the parish in the best way we can. As a stewardship parish, we strive to cover the needs of the day-to-day operations and to provide for the needs of the programs available at the parish. This includes Children and Adult Faith Formation Programs, Sacraments and Outreach. As we look into the future, we address the needs of the parish for today and for tomorrow as they arrive. We continue to cover the costs through your generous giving to weekly collections. A full Annual Parish Report is available to you in the gathering area and on our website. Please, pray and be generous. With your help, we can improve our parish, update the necessary repairs and if you will, we can maybe even save some resources for the future. Please, help so that we truly can be grateful to God for His many gifts and blessings He shares with us. And Please, we need Altar servers, Hospitality Ministers, Lectors, and Sacristans.

I am grateful to God for every one of you, in Christ,
Fr. Andrzej

THANK YOU FOR ALL THE PRAYERS AND SUPPORT

Dear Brothers and Sisters in Christ,

Let me begin by thanking you for all the prayers and support you have given me since my diagnosis. As you may remember, the doctors discovered a cancerous tumor in my lower esophagus and have been treating it with radiation and chemotherapy.

I completed the course of treatments in mid-August and am now in a recovery phase. Both treatments took a toll on the body and I am still weak. Another side effect is that swallowing solid food is still a challenge, so I have been mostly on a liquid and soft diet. I will be slowly reintroducing more solids as time goes on.

Because of the radiation treatments a new PET scan cannot be done until mid-November. The reason for this is that the effects of the radiation treatments would lead to "false positives" if the test was done too soon.

So, I ask for your continued prayers that the treatments have been successful in killing the cancer and that I am able to eat more normally so that my body can heal properly. Please continue to ask Servant of God Nicholas Black Elk to intercede for me and for Fr. Andrzej.

I am offering the trials of this sickness for a deep and fruitful revival of Eucharistic faith in our diocese. I have constantly felt the Lord's presence with me in these days of illness and uncertainty. God is good and will bring many graces out of this time of illness if we are open to receiving them.

+Bishop Peter Muhich

My dear friends,

Thank you all for the continuing prayers for me and Bishop Peter. The journey continues and for how long only God knows. At the present time I am working through kidney issues. I had a surgery on my right kidney in early August, and things seem to be working out. I am recovering. In September I am scheduled to have surgery on my left kidney. We will go from there, after recovery is done and learn what the next steps will be required.

Thank you for all of the prayers and support. I will update you as the time goes on. Please continue to pray and ask for the intercession of Nicholas Black Elk on behalf of Bishop Peter and myself for healing and guidance for our care givers. Please be sure to thank the priests visiting during my absences.

Fr. Andrzej

Pray for the healing of Fr. Andrzej Wyrostek and Bishop Peter Muhich

Heavenly Father, Great Spirit! Behold Us who stand before you singing our song of thanksgiving for Servant of God Nicholas Black Elk. Faithfully he walked the Sacred Red Road and generously witnessed the Good News of our Lord Jesus Christ to the Native American people. We humbly ask you to hear the prayers we plead through his intercession.

Dear Servant of God Nicholas Black Elk, hear our petition in favor of your devoted servants Father Andrzej Wyrostek and Bishop Peter Muhich who are seriously ill and entreat your intercession on their behalf. Carry to our Heavenly Father the prayer of the faithful for the healing of their bodies and spirits.

Amen.

Twenty-third Sunday in Ordinary Time

Ez 33:7-9 | Rom 13:8-10 | Mt 18:15-20

GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

Years ago, I was asked to take in a hound dog and I was happy to do so, but it wasn't until I brought the dog home that I discovered how adamantly opposed my husband was to the idea. When asked, he had never said "no," but he thought I should just know he didn't want the dog. Obviously, we needed to work on our communication skills! Proper communication and what it means to love in relationship are what come to mind when I hear the start of today's Gospel. Jesus is instructing us on what to do when another angers, hurts, or offends us. Not surprisingly, it doesn't include calling our sister or best friend to vent, or posting about it on social media, regardless of how vaguely we word the situation. Instead we are to go to that person directly and "tell him his fault between you and him alone." If they listen, we have won them over. How many times have others hurt us but we never bother to tell them? How often do we simply assume the other person knows they have done us wrong? We owe it to one another to be honest and upfront – to give the other person a chance to apologize and us a chance to extend forgiveness. We also owe it to one another to be willing to receive *them* in charity, open-hearted, when they come to us to speak of *our* faults.

GO EVANGELIZE

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

In the same way that the Gospel addresses speaking truth to another and "winning them over," the prophet Ezekiel recounts the Lord's instruction to him that he has a duty to "speak out to dissuade the wicked from his way." This, of course, was the role and mission of the prophets. To make known the word and law of God and call the people to respond. A prophet warned, counseled, taught, and encouraged. They called the people to obedience to God, denouncing idolatry, injustice, and empty rituals. Jesus himself came as priest, prophet, and king and by our baptism, "the whole People of God participates in these three offices of Christ and bears the responsibilities for mission and service that flow from them." (CCC 783) Through the centuries, people have tried to do this in various ways – from passing laws to standing on street corners with signs. But let's remember that even as we are meant to "speak out," we are also meant to listen. We too must be re-converted to the truth when we sin; we too must be dissuaded from our wicked ways. This is how we best fulfill our prophetic mission.

PRAY Witnessing to Christ in today's world sometimes feels overwhelming or hopeless. Spend some concerted time in prayer with the words from today's psalm: "If today you hear his voice, harden not your hearts."
