

## Vision, Mission and Engagement

### **Be Saints and Make Saints**

Our vision is to Be Saints, and our mission is to Make Saints. We do this by being a center of Catholic Evangelization, ministry and formation through the fulfillment of our parish priorities; inspiring worship, generous hospitality, loving service and excellent faith formation as we seek to continue the ministry of Jesus.

The Live QAS Engagement Portal is a visual map that enables parish members and visitors to understand how to access parish life and engage in the vision and mission to, ***Be Saints and Make Saints***. The engagement portal locates four principal areas through which a person can enter into the rhythm and activity at Queen of All Saints Parish, worship, service, talent discovery, and service in the community. There's no right or wrong place to begin. The most important thing is to enter through an access point that feels right and then follow God's prompts. For more information about how you can enter and engage in our parish, please visit: [www.qas.org/live-qas](http://www.qas.org/live-qas)
