**Presenter: Dr. Seth Wright,
Director of Missionary Discipleship for the Diocese of Pueblo**

St. Michael Catholic Church
1029 College Ave. Cañon City, CO 81212

*Please park in the main parking lot behind the Main Church and school building.
This course will be held in the Parish Center (behind St. Anthony Chapel)*

This six-week mini-course will allow the participant to come to a deeper understanding of discipleship, relationship with Jesus, and the sources of some of the problems we face as a Church.

But it does not stop there. It also provides direction, tools, and solutions to help people grow closer to Jesus and to overcome these problems.

Although it also expands on the schema provided by the Thresholds of Conversion, this is different from the Ananias Training and Paths of Discipleship workshops. Whether you have been to those other trainings or not, this look at intentional discipleship should be of benefit to you and to your parish.
