GRAND KNIGHT REPORT

Brother Knights,

Recently we were discussing what was on the Council's Knight's computer. It was suggested that I could take a file from last year or previous year and use it again. The power of suggestion is somewhat forceful and I have looked at those files. What I see is that the council is consistent in our day to day activities and calendars from year to year. Now I could fill up a lot of space listing what could be classified as out of the ordinary or inconsistent but that is the work of the officers to keep the members interested and keep the council activities in line with its core principles. Our activities, which are noted elsewhere in the newsletters by way of the calendar of activities, are to be in line with our core principles of Charity, Unity, Fraternity and Patriotism. You would agree wouldn't you?

We have two items on our list to accomplish in the next couple of weeks. The first is to have some more men see our Council as a benefit to themselves and their family by taking Formation Degree and joining our council. The other is to have the members current on their membership dues requirement. You can help with the recruiting and we will be at the computer, printing dues update cards to put in the mail.

Our parish and Council have, in the past years been very visible at the Calvary Memorial Day Remembrance Mass. So please make time for you and your family to make your first time to attend or, in being consistent, your yearly attendance.

The Council provided a barbeque lunch for St Patrick Catholic School recently. The school staff and students were very appreciative for the hot dogs, burgers, chips, beans, cookies, and it being the last day of school. I wish to thank all of those that participated in purchasing the food, preparing and serving the lunch. Also thanks for the cleanup. Approximately 220 were served.

The fireworks stand meeting was attended by many other councils and our council will have a 40' X 80' tent at 1000 West "O" street and sell on July 3 and July 4. You can bring friends and family to help with our major fund raiser program. There will be signup sheets in the Church Narthex soon.

Please continue to pray for all parishioners and Knights who are so charitable with their resources in the New Spiritual Home oak trim project. Since you are reading this you participate in our fraternity.

Help pray for all of those on the daily Knights of Columbus Nebraska prayer list.

We hope everyone has an enjoyable and safe Memorial Day.

God Bless you and your families.

Steve Becker GK

FROM OUR INSURANCE AGENT

Fathers Plan, Fathers Protect

From the beginning, the Knights of Columbus has been a family-first organization.

Father McGivney was striving to find Catholic men who could come together to protect and support the families in their communities who needed it most – including their own.

Today, the mission remains the same. And, as we celebrate Fathers' Day here in the United States, it's a great time to evaluate how we're doing.

As we approach the beginning of 2016, the Knights of Columbus has more than \$100 billion of life insurance in force, covering the lives of hundreds of thousands of our members and their families.

Knights across North America continue to trust their Order to protect them and to see to it that their loved ones are well taken care of once they're gone.

And the numbers keep increasing. The year 2014 marked the 14th consecutive year of increased new business life insurance sales.

More and more members are preparing to leave behind legacies of protection for their loved ones.

But how are each of us doing on an individual level? How well protected are our families? Are we certain that the insurance that we have in place is enough to cover their needs? Is it enough to allow those left behind to remain in their homes, to attend college, to continue to live the lives their accustomed to? Would we even know how to begin calculating and projecting those needs?

There are a lot of moving pieces and parts that go into calculating just how much your life is worth in dollars and cents. You're worth far more to your family than simply a number on a page, of course, but you do provide for them. And, if you're no longer able to, you want to make sure that their lives are not further devastated by your absence.

These calculations and determinations are not ones that you need to make on your own. I can help you identify what you need to do in order to adequately protect your family.

The Knights of Columbus provides members a comprehensive, complimentary needs analysis titled "Profiles & Forecaster," a proven industry tool that helps you determine your needs.

I will gladly perform this custom analysis for you and your family absolutely free.

It's a fraternal benefit that costs you nothing, but could tell you a lot. The Profiles & Forecaster analysis will help you identify surpluses and shortages, insurance and income replacement needs, final expenses, and more.

How could you turn down a free comprehensive analysis from one of the "World's Most Ethical Companies?" Why would you pass up on a complete review from North America's most highly rated life insurer?*

Helping your family to prepare for life without you is one of the most selfless actions you can make.

So, this Fathers' Day, as your family shows you how much they love you and how much you mean to them, show them how much they mean to you. Make an appointment with me for your custom analysis, and begin to build an insurance portfolio that will guarantee their protection after you're gone.

**As of 12/31/15, rated A++, superior for financial strength by A.M. Best. Designated a 2016 World's Most Ethical Company by the Ethisphere Institute.*
