GRAND KNIGHT REPORT

Brother Knights:

Let me begin this article with a heartfelt thank you to my mentor and friend Past Grand Knight Steve Becker. He has and continues to help me learn all that there is to know about our councils underlying duties and responsibilities as a Grand Knight. During a very busy time in our council history, Steve guided and assisted us through the transition from old spiritual home to gym, thru demolition, wood drying, construction of our spiritual home, with the pews and many other little touches being added even now. Steve is a tireless servant for our Council. I am very blessed by being his Deputy Grand Knight and being his friend. If in passing, thank him for taking such great care of our Council. A big THANK YOU PGK Steve Becker.

On a lighter note, summer is passing by so quickly and Neb. football starts this week. August was a good month. We had a wonderful banquet with 60+ in attendance and a big thank you goes out to our State Deputy Tony Hergott for a good pep talk as our honored guest. Other activities is that this will be our third weekend for picking grapes again at Windcrest vineyard, and we have a new income opportunity by joining forces with the St. Joseph's Knights and working at the Neb football home games. We can always use more hands and so contact me at least two weeks ahead if you want to work.

Some things to be aware of coming up in Sept are, on 9/10 we will host a Rosary at 730a in honor of World Day of Prayer. Del has arranged for a Pro Life movie to be shown after all Mass's on 9/11. There is going to be a pancake breakfast on 10/2 so be ready to serve and enjoy a hot breakfast. A suggested work schedule will come out in Sept. Come to our next meeting on Sept 7th and learn even more about what your Council is doing and how you might be able to help and grow as a Knight. Remember our basic mission is to Change a life and Save a life.

God Bless,
David Wilson, Grand Knight

PS Windcrest vineyard has contacted me to say that grapes are not ready to pick and so we have time off. Dale said that 9/17 the red grapes should be ripe enough to pick so please keep that time open on your calendars. Enjoy two Saturdays with less to do. Thanks.

FROM OUR INSURANCE AGENT

LTC Is an Important Piece of the Puzzle

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.
