OCTOBER 2016

GRAND KNIGHT REPORT

Brother Knights,

Sept has come and gone. Grape picking fundraiser has been completed, J&J Diesel inventory fundraising is next week, and there are a few home football games that could use volunteers to help with food concessions. Contact me if you want to help.

October will be a busy month as well. We have a pancake breakfast next Sunday as well as the prayer chain at 2.30pm along 48th & O street. Our Parish retreat begins on Oct. 9th, which I pray you can participate, if not in total, partially. Our efforts for the Intellectually Disabled (tootsie rolls) is also on that weekend, 8th & 9th at Have-lock Russ's and the North 27th Street HyVee. There is a membership drive on Oct 23rd after all Masses with donuts and coffee. Del Ridder has planned a wonderful Pro Life Series talk from Fr Leo Seiker also on Oct 23rd at 700pm. Keep Saturday morning Oct 28th open as we will have Mass at the Holy Shrine near the Gretna exit at 8.00am with Fr Schweiger.

As one can see, we try and have a dynamic council, but that can only happen because of you. Our efforts at fundraising are a working charity that evangelizes. It is a testimony to our faith and a mission and life style as Knights. With and through each one of us, we can expand our charitable reach. More food, clothing, more fundraising can be accomplished. Who benefits? Our church, community and our families as through our example we and they grow in faith and charity. Prayer is a beginning essential to all of our efforts. Pray for growth in faith and charity and you will see and feel the transformation in your life and the lives around you.

Thank you for being a Knight, God bless you and your families.

David Wilson, Grand Knight

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
