GRAND KNIGHT REPORT

Dear Brother Knights. My first year as Grand Knight has come and gone so quickly. Thank you all for the support you have given me. We have had a wonderful year and Awards Banquet and celebrated many of our council achievements of this past year. Through the efforts of Gary Taylor, Gerald Frain and John Soukup, and others, we admitted 14 new Knights to our council. There were 5 Knights that rose to the 2nd Degree and of those 3 went on and advanced to the 3rd Degree. We had 2 Knights that have become Sir Knights by advancing to the Patriotic 4th Degree as well. We achieved another STAR Council award by Supreme as well as being recognized by State as being a Gold level Council because of everyone's efforts. Another important milestone, I consider it one of our most distinguished awards, was State granting our council at this year's convention was the "ON GOING PROJECTS AWARD". This is given to the council that has achieved a project that has been worked on for a minimum of 5 years. We reported every year the progress of the many hours of labor in the building of our spiritual home since the start in 2012. Everyone knows this project is continuing with the installation of cabinets in the Social Hall at this moment, and more projects to come. This past year we as a council has helped our church, our neighborhood, our widows and ourselves in labor, encouragement and love. We have constantly rose in response to the requests and the challenges and I look forward to another year of working with you and for you. God Bless our council.

PS: It is still not too late to pay your dues. Any questions, please contact me or Al Schrader. Thanks

David Wilson, Grand Knight

Have You Insured Your Most Valuable Asset?

Is your income protected if you become sick or injured and cannot work? Your ability to work and earn an income is your most valuable asset. Yet a disability could prevent you from earning that income. Just one year of a disability could eliminate your savings.

Income Armor, an individual disability income insurance product from the Knights of Columbus, should be a key part of your overall financial plan and family's protection.

If you are ill or injured, Income Armor provides tax-free monthly benefits to help you meet living expenses and maintain you and your family's standard of living. Your monthly benefits help you pay your mortgage and other monthly bills, while your savings and retirement assets remain intact.

In short, if you have a job and don't have a way to protect that paycheck, you should seriously consider Income Armor today. I look forward to meeting with you.
