GRAND KNIGHT REPORT

Brother Knights,

I had the privilege to attend a silent retreat this past weekend at our very fine Waverly Lady of Good council Retreat center. I strongly encourage you to attend one and rejuvenate yourself from this very busy world. You and your family will benefit from this recharge.

One of the topics presented began with the question: How do you receive your gifts of grace? Do you receive grace and blessings without realizing that they are being given to you or knowing that God is near? It is so easy to go through life without recognizing all the good or challenges we are given and without realizing that God is blessing us. We just seem to take those times for granted. It is harder to praise our God when we are not paying attention to the attention he has given us. Do you look at your gifts of grace as a burden, recognizing only the challenges and not paying attention to all the good? Is it a grace that feels like more of a bother or inconvenience when God asks you to participate in his divine plan that might not be comfortable or can even be painful, but moves us toward eternity. I pray that you do not look upon your Knight membership in such a light. I do pray that you look at these events as a joy and a pleasure to serve God's will and to accept the graces and blessings as God intended, as a true gift, even if it causes sacrifices of time and sometimes aches and pains. We try not to ask too much, but we do ask. I do pray that when asked to participate in the

many activities of your council, that you keep your heart open to God's will and accept the opportunities as a joy. Your council will accept whatever you can give. Blessings are always needed and hopefully welcomed. God Bless!

Celebrating Star Council

Field Agent John Soukup followed through on his promise to serve a steak dinner for achieving Star Council status in 2016. Past Grand Knight, Steven Becker was recognized for shepherding the Knights to another award. Steve credited the hard work of the entire council. To further celebrate, John set off the smoke alarm in the church and school several times.

Every Tuesday morning

For the next several weeks, on Tuesday mornings at 7 a.m., a group of men from our parish will be watching and reviewing Rerouting, a series of homilies focused on what it means to have a missionary parish full of missionary disciples. The series is available on Youtube. Just search for "Rerouting Homily" and you'll find the entire series. We're at homily #3, but feel free to watch ahead.

Please join us. It's a quick, casual, focused exchange of thoughts on being catholic men.

FIELD AGENT NEWS

Think You Are Too Old for Coverage? Maybe Not

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70. Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions are a great blessing for me – and it could be

for you too. Now I can help members that I couldn't help before. Are you or one of your brother knights one of those members?

Whether you're 18 or 80, the Knights of Columbus has products that will work for you and your family. I look forward to discussing coverage with you.
