## GRAND KNIGHT REPORT

Brother Knights,

This last Saturday, March 21, 2015, there were 39 Parishioners and Knights that assisted and attended the Mass for the Unborn Children. The Knights of Columbus Council lead the Stations of the Cross for Life in the format that Saint John Paul II composed and they helped us focus on the observance of the Day of the Unborn Child. Please pray for the end to abortion and the culture that is has bred. The consequences of this culture spread far and wide affecting us all.

St Patrick's Parish final Lenten Fish Fry was last Friday and at the time this comment is made a great turnout is expected and well we will just have to wait until the next Newsletter for the update.

The dried oak from the old St Patrick's Catholic Church will have been transferred to the semi-trailer last Saturday and well we will just have to wait until the next Newsletter for that update also.

At this time I don't think that we'll have to put into print an update to the old St Patrick's Catholic Church demolition. We can pray that it all went safely.

Now that the above-mentioned events are history we can take time to remember that it is still the Lenten Season for 12 more days, at this writing. We should make ourselves aware of the Lenten Liturgical Schedule, that we received from Fr Schweiger and is on one of our kitchen appliances, and help ourselves spiritually get ready for The Easter Triduum. All of our relatives will help us get ready for the secular Easter celebrations but we have to expend the effort to be spiritually ready.

Father Schweiger has adjusted some schedules and the Stations of the Cross are two times that we can attend by easily adjusting our schedules. They are Wednesdays 6:30 PM (one more time) before our Council meeting and Friday 2:15 PM (before the Fish Fry). Let us pray that many Catholics in the area make the effort to attend the Easter Triduum services and that we run out of room in the gym church for those attending.

Lastly I will have the "Food Pantry Pickup" clean for the returning grocery bags, this Palm Sunday and well we will just have to wait until the next Newsletter for that update also.

Thank you, God bless you and your families and have a Blessed Easter.

Steve Becker GK

***Don't Assume You Can't Afford Disability Income Insurance***

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

1. Choose a two-year or five-year maximum benefit period.

Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But a two-year or five-year duration benefit period would cover disabilities you might encounter in your working life.

2. Choose a longer elimination period.

An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your contingency fund to account for the longer gap.

As your professional insurance agent, risk management is my specialty. Let's talk about how to protect your income, your retirement needs, and your family's financial future.
