GRAND KNIGHT REPORT

Brother Knights

Didn't the I-80 Collar Series ball game surprise everyone? The score is history and impressive but the attendance was, like they say in sports, awesome! The Council gave 9 tickets to the Altar Servers that went and hopefully we will get some feedback about how the experience was for them. My family was in attendance at our family reunion so we listened to the game on the radio. Fr. Troy Schweiger advised us that the competition level of our diocesan priests is even higher than the game showed.

Our Officers have sent or are sending in the last reports to Supreme and State detailing the Knights of Columbus fraternal year events and accomplishments. We all hope to have more men become Knights for their families benefit and if the Council adds one more Knight by June 30, 2015, then the Council with all of the reports submitted and 10 new Knights will be in the running for Star Council award. Thank you to all that have made this possible.

Thank you to the Council for electing the officers to the 2015-2016 term. These Council Officers and Council Program Directors are hardworking and dedicated.

When you read this the fireworks stand tent will be erected and we will swing into action for the holiday event.

This year the St Patrick KOC Council voted to pay 1/3 of the school security camera system update. A portion of the money will be from our profit from the fireworks stand. Here is the latest info concerning the St Patrick's KOC fireworks stand. July 1, 2015 setup tables, lights, skirting and fencing starting at 8:00 AM.

July 1, 2015 cashier training 5:30 PM in the tent at the 48th and Leighton.

July 2, 2015 set the product up starting at 8 AM.

July 3 and July 4, 2015 8:00 AM to 12:00 PM sell fireworks.

July 4, 2015 return unsold product to the boxes and place everything in the semitrailer after we close.

Remember this Saturday, June 27, 2015 is the parish Mass at the Holy Family Shrine with Fr. Denton Morris. It starts at 8:00 AM with brunch (on your own) following. Then there are rolls and coffee on Sunday after the masses for Fr. Denton Morris, so make sure to introduce you and your family to him.

The Council General meeting for July will be the SECOND Wednesday of July. The meeting will be in the school library July 8, 2015 at 7:00 PM and this will be noted on the agenda also.

The pew wood sanding continues with different parts being accepted as "completed ready for stain".

Thank you, God bless you and your families.

Only Having Insurance “Through Work” Doesn’t Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.
