## Grand Knight Report

Brother Knights,

Such a beautiful fall season the Midwest is experiencing and so much to be thankful for. While driving in the country you can see that the harvest is bountiful.

Most of you know about pew building and appreciate sitting on the center ones that have been installed. Many of us are thankful that the kneelers are also installed. The side pews and kneeler process is catching up as you can see. Installation of Hymnal holders is being engineered and by Thanksgiving many of the pews, kneelers and hymnal holders will be installed.

The council has three new Knights and several transfers and we continue to do our works and talk about the council to those who are not in yet.

As you will read in the rest of the newsletter there are many events and opportunities for attending church services coming up. There is coat collecting for children, school children finishing their part of the Tootsie Roll program, a Parish Veterans Program, a pancake breakfast, a Corporate Communion, a Parish Stars event, Holy Days, a Mass at the Holy Family Shrine and selling Christmas Cards. Those events are for you to enjoy participating in. There is also transfer of dried wood from the semi-trailer to a holding area, new church ground landscaping and possibly tree chopping and lunch with the Marian Sisters.

The food donations have been good and we still take them to Catholic Social Services. Our soccer challenge contestants advanced to State competition and the Pitch Tournament was well attended. We had good representation at the Life Chain.

More information is available at our Knights of Columbus Council Meeting coming up November 4, 2015 and there is plenty of room for all to attend. I'll see you there.

Thank you, God bless you and your families.

Steve Becker GK

***The Pitfalls of Replacing Coverage***

You know the old saying, “the grass seems greener on the other side of the fence,” but we all know that it rarely is. The same holds true when it comes to replacing your existing Knights of Columbus life insurance with coverage offered by another company. Perceptions are deceiving. A move to the “greener” grass on the other side of the fence might seem like a good one, but it can leave you with less *green* in your wallet — in some cases, a lot less. That’s why it pays to remember another old adage, “Read the fine print.”

There are many reasons to keep your existing coverage in force, whether that coverage is with the Knights of Columbus or with another company. I’ll focus on the potential pitfalls of replacing coverage here — pitfalls that an agent trying to convince you that the grass actually is greener might neglect to mention.

First, all life insurance contracts contain a *contestability period*, which allows the insurer to contest claims made for a period — typically two years — after the contract is issued. Chances are this is no longer an issue with your current coverage.

Second, it’s unlikely that you can obtain the same amount of coverage, for the same premium, that you were able to obtain with your existing contract. The two factors that determine how much you’ll need to pay for life insurance coverage are age and health. Certainly, you’re older now than you were when you took out your current coverage. There’s no way around that. And you have to ask yourself, has your health changed during that time? Is your blood pressure the same? Your cholesterol? Have you gained weight? All these factors can affect the amount of coverage you’ll get for your premium dollar.

If someone encourages you to replace — or worse, drop — your existing coverage, please call me. I’ll show you how your existing coverage is working for you and why replacement is rarely in your best interest.
