All First Degree Members should prayerfully consider taking their 2nd and 3rd degrees. There is no cost to you! The council will pay for the 2nd and 3rd degree.

GRAND KNIGHT REPORT

Brother Knights,

What a great effort by so many people from the Council and the Parish this last month. February 1, 2015 First Communion service ended in snow and wind but all articles needed for mass were transferred to the School Gymnasium in short order. There were four days of preparation (and snow removal) for the metal recycling project and when it kicked in the effort was such that you had to be there to really appreciate what happened. The pounds and dollars are being compiled but the hours were 250 hours in four full days of recycling. There are many more hours but they just were not recorded. So by getting that much metal recycling done by February 14, 2015 three trailer and three pickup loads of processed oak for pews and kneelers were handed out through the church basement windows and stacked on pallets in Stephen Kuchar's wood shop.

The first Ash Wednesday mass in the gymnasium February 18, 2015 and the weekend masses have been well attended considering the construction affecting parking.

Many comments were heard about how tasty the Parish Friday Fish Fry Dinner was that was served in the School Gymnasium. Bring your family and friends and enjoy a good night out cooked and served by your parishioners.

We are asking for good representation from our council at the Knights of Columbus Regional Free Throw Contest March 7, 2015 at Blessed Sacrament Parish.

On March 14, 2015 the Parish will be in full swing with the St Patrick's Day Parish Festival in the School Gymnasium.

We are making plans for the Saturday March 21, 2015 Mass for the Unborn Children. Lectors, altar servers, acolytes and usher positions are available now. The Knights of Columbus Council will lead the Stations of the Cross, starting at 7:30 AM and Fr Kipper will say the mass following the Stations of the Cross.

Thank you and God bless you and your families.

Steve Becker GK

From Our Pro-Life Director Del Ridder

Saturday March 21st is observance of "The Day of the Unborn Child" at St. Pat's. "Stations of the Cross for Life" will be at 7:30 am with mass following at 8:00 am. These stations were composed by Saint John Paul II when he was Pope JP II. These stations do more than remind us of the message of Christ to the women of Jerusalem: **"Daughters of Jerusalem, do not weep for me, weep instead for yourselves and for your children, for indeed, the days are coming when people will say, 'Blessed are the Barren, the wombs that never bore and the breasts that never nursed.'" Luke 23, 28-29.**

In 1998 in Lincoln Fr. Paul Witt and Walt Weaver, MD, talked with a Catholic, Lincoln City Councilman who was poorly informed about Planned Parenthood. They also gave him a book entitled *"Blessed are the Barren: The Social Policy of Planned Parenthood."* ** Later in 1998 the councilman was interviewed by Dick Bott, of Bott Christian Radio Network on "The Complete Story" -- a program still featured on KCLV local affiliate of BCRN -- which operates out of Kansas City, Missouri. The councilman gave personal testimony of how the priest, and the doctor with the aid of the book helped him to understand the true nature of Planned Parenthood. As you're aware PP operates the largest chain of abortion facilities in our nation and has been responsible for the deaths of thousands of babies in Lincoln alone. Please consider attending both the mass and Stations of the Cross for Life. Authors: Robert G. Marshall, Charles A. Donovan. 1991, Ignatius Press

We need a lector and servers for the Mass of the Unborn Child on March 21st. Please consider volunteering to be lector and having your son(s) as mass server(s).

Thanks, Del

From Our Knights of Columbus Insurance Agent

The pitfalls of replacing coverage

We all know the old adage, “the grass seems greener on the other side of the fence.” When it comes to replacing your existing Knights of Columbus life insurance with coverage offered by another company, the adage holds true. Perceptions are deceiving. A move to *the other side of the fence* might seem like a good one, but it can leave you with less *green* in your wallet — in some cases, a lot less. That’s why it pays to remember another old saying, “Read the fine print.”

There are many reasons to keep your existing coverage in force, whether that coverage is with the Knights of Columbus or with another company. I’ll focus on the potential pitfalls of replacing coverage here — pitfalls that an agent trying to convince you that the grass actually is greener might neglect to mention.

First, all life insurance contracts contain a *contestability period*, which allows the insurer to contest claims made for a period — typically two years — after the contract is issued. Chances are this is no longer an issue with your current coverage.

Second, it’s unlikely that you can obtain the same amount of coverage, for the same premium, that you were able to obtain with your existing contract. The two factors that determine how much you’ll need to pay for life insurance coverage are age and health. Certainly, you’re older now than you were when you took out your current coverage. There’s no way around that one. And you have to ask yourself, has your health changed during that time? Is your blood pressure the same? Your cholesterol? Have you gained weight? All these factors can affect the amount of coverage you’ll get for your premium dollar.

If someone encourages you to replace — or worse, drop — your existing coverage, please call me. I’ll show you how your existing coverage is working for you and why replacement is rarely in your best interest
