GRAND KNIGHT REPORT

Dear Brother Knights. This report comes on the completion of a very nice Fish Fry season. Good help on most Fridays, but could have used more on the final Friday. Preliminary numbers show that net profits from our efforts will assist the parish with approximately \$8500. The Knights efforts also assisted in a record Festival with more than 1000 meals served. Efforts in the Lenten food drive again shown that we have a blessed parish that is very willing to help those in need. We are approximating poundage at around 1500 pounds of food collected. Spring is here and soon, on May 5th we will be getting our hands dirty on Join Hands Day as we ask your help to work around the church and Mahoney Manor with landscaping chores. May 20th we will be moving

the play equipment to the south side of the school. This is just one of the first steps of completing the new parish playground. More help will come later this summer. I hope you can keep track of when we are asked to roll up our sleeves and will be able to help out when needed. Thanks for all you do! May God Bless our council, our fellow Brother Knights and all our deeds.

FIELD AGENT NEWS

You already know that the Knight of Columbus is here for all your personal and family financial protection needs, but did you know that the Order can help secure your business too? As your Knights of Columbus field agent, I can help you protect the continuity of your business for years to come.

Business insurance is the term used in the insurance industry to describe the use of life insurance and disability income insurance to solve certain financial needs of businesses and their owners. The products offered through the Order can cover many needs, such as:

- Economic loss to the business when a key employee dies
- Disposition of a business owner's interest upon death or other separation from the business

If you've worked hard to establish a business, you owe it to yourself and your family to learn about the opportunities that the Knights of Columbus can offer.

With protection for the family, the business, the farm, retirement, long term care and disability coverage, the Knight of Columbus truly is your shield for all the elements of your life.
