FROM THE PASTOR: Once again we of St. George and Church of the Risen Savior parishes congratulate Fr. Josh Duncan for completion of his studies and his ordination to the Holy Priesthood; and we wish him well in his first assignment!!

Two things I would like to bring to your attention have to do with "Faith formation." The first involves our youth. We are in need of two or more volunteers to teach in our Parish School of Religion (PSR) classes...5/6th graders and Sophomores. Resources are available to help the instructor with the task of forming our youth "in the ways of the Faith," so she/he doesn't have to be a certified teacher or a theologian. It simply takes a sincere interest in passing on the Catholic Faith, and a trust in the Holy Spirit to use your abilities to do that in a classroom setting. So I'm asking for two or more persons to come forward and help out during this upcoming school year. Susan Chorley will be happy to coach you along!!

Secondly, "Faith formation" doesn't stop at High School graduation, but continues on in many different ways throughout our adult lives. One of these ways is through the **CATHOLIC MISSOURIAN**, our local Catholic newspaper for the Diocese of Jefferson City. This publication helps continue our education as Catholic disciples of Jesus Christ, especially providing "correct" information on issues and topics that are very contemporary and very controversial. We need to be well informed as Catholic followers of Jesus, and getting to the right source is so important toward accomplishing this. An excellent tool is our very own **CATHOLIC MISSOURIAN**. I ask you to use your envelope to subscribe to the newspaper (only \$14 for 48 issues a year!!) and help us out with our assessed goal of about \$3,000.

FR. JOSH DUNCAN—MASS AND RECEPTION will be held at the Shrine at Starkenburg on June 12th with a reception following at Valentine Hall. The Mass will begin at 2:00pm. We ask those attending to please bring finger foods: if your last name begins with: A-I Meat Finger Foods, Sausage & cheese trays or small sandwiches, etc.—J-M Chips, Salsa or Crackers—N-S Brownies, Cookies, Cupcakes or Rice Krispies—T-Z Fruit or Vegetable Tray.

****Fr. Josh Duncan is appointed to associate pastor of the Cathedral of St. Joseph in Jefferson City.****

RETREAT Msgr. Greg will be on retreat this week. There will be a Communion Service each morning at 8am.

COME ONE...COME ALL!! Monday, June 27th, annual Bishop Gaydos golf tournament in Warrenton, sponsored by Church of the Risen Savior and St. George. Three-man scramble, mens and ladies, lots of prizes, delicious lunch, plus steak supper. Put it on your calendar. It would be great to field 50 teams!! Call Mark Winkelman or Nick Godat if you have questions!!

PART-TIME RESOURCE-ACCOMMODATIONS TEACHER WANTED FOR THE 2016-2017 SCHOOL YEAR

St. George School is seeking a dynamic and accomplished individual to become the school's first Resource-Accommodations Teacher. This teacher will create a positive learning environment for students with disabilities and learning differences in a variety of educational settings. This person will be responsible for creating a flexible program and learning environment that provides specialized instruction, such that students benefit from general education curriculum to the greatest extent possible. Interested applicants are asked to submit a letter of interest and resume. Please include contact information for all listed references. Suitable candidates will be contacted for personal interviews. Please submit all requested information electronically to Julie Clingman, St. George School Principal at jclingman@stgeorgeschool-hermann.com.

Dear Friends...

Many of you may recall your participation in a diocesan planning process under the direction of the Chancery staff during 2009-10. At that time, Sister Kathleen Wegman, SSND, Chancellor of the Diocese and Ron Vessel, Associate to the Chancellor, undertook extensive research within the Local Church to determine the challenges and opportunities facing our Diocese at that time. Using the breadth and depth of that research, they developed four priorities and multiple strategies to address the pastoral areas that emerged during this research phase.

In this past Friday's edition of *The Catholic Missourian* you can find a pastoral letter from me regarding the Pastoral Plan 2010, "Christ's Call ... Our Response." The original Plan (2010 - 2015) called for an evaluation of the Plan in 2015. My letter outlines briefly the development of the Pastoral Plan, the evaluation process and how we intend to move forward with future planning.

Elsewhere in *The Catholic Missourian* you will find a more detailed analysis of the planning process in an article titled "Accountability Report and Next Steps, June 2016." I encourage you to take time to read and reflect on the contents of that report and the direction it sets for our immediate future. I count on your personal prayer and participation in parish life in such a way that our response *anew* to Christ's call truly will give further direction and meaning to our lives.

Bishop John R. Gaydos
