Dear Padre: ***My nephew has a chronic illness. My father is saving money to send to him so he can send it to a faith healer my dad has seen on TV. What can I say to my dad to convince him this is a bad idea?*** The Catholic Church teaches that "those who dwell in heaven" regularly intercede with God on our behalf (*Catechism of the Catholic Church*, 956), and those intercessions include healings. **But** living people with the power to instantly heal physical and mental ailments are rare. Some "healers" have accomplices who fake illness or disability and are then "cured" for the sole purpose of getting people to give money to the "healer." We should be very skeptical about these claims, because scam artists understand how easy it is to take advantage of people who are desperate for relief of pain or for the cure of a chronic or terminal illness. **One** thing is certain: healing ultimately comes from God. Anyone who claims he or she is the healer and not simply God's instrument is unquestionably a fraud. **Suggest** to your dad that he talk to his priest before he sends any money to the "healer." The best way for him to help his grandson is to pray for him and donate any money he has saved to an organization that does research into the condition. That way, your father will be helping everyone with the condition—not just your nephew. *—Fr. Rick Potts, CSsR*

FROM THE PASTOR: **ROLLIN' on the RIVER!!** Next Saturday, September 26th!!! You should have received a letter and flyer in the mail from the St. George School Long Range Planning Committee. If you have not opened the envelop to look over the information I ask you to search for it and study it carefully. The Pandemic has resulted in making some big changes in how we carry out this event. There are still plenty of ways that you can participate and help make the revised event successful. The letter will explain ways that you can help to make it happen, particularly the donation of an auction item. The way I understand it the Rollin' on the River event will be a "two-parter" this year. I want to remind you that the annual event has been going on for many years. The proceeds have gone toward "brick and mortar" and "technology" projects that keep our school campus in good shape making needed repairs and improvements, plus making it possible for teachers and students to use modern electronics to improve their learning experiences. Those are still the goals of the Long Range Planning Committee for St. George Catholic School.

The ***Our Lady of Guadalupe Silver Rose*** program began in 1960 in Monterrey, Mexico, as a project of the Columbian Squires of North America to honor the Blessed Virgin Mary under the title of Our Lady of Guadalupe, whom Pope Pius XII declared as "Patroness of the Americas." Currently five Silver Roses are traveling from Canada through the United States to Monterrey, eventually arriving at the Basilica of Our Lady of Guadalupe, as a devotion to our Patroness, and as an opportunity to bring our prayers for the needs of our country and its citizens to Jesus through Her intercession. One of the Silver Roses will be stopping at St. George Parish church on Monday evening, September 28th, at 7 o'clock, for prayer and the recitation of the Rosary. This devotion is open to the public so consider coming to join us that evening.

ST. GEORGE CEMETERY: One of the charitable acts of mercy that we often take for granted but insist must take place is the perpetual care of the resting place of our loved ones. This includes, most obviously, the seasonal cutting of grass for sure; but it can also include the periodic attention given to leaning/fallen monuments, repair of black-top drive ways, etc. A couple of years ago I started a committee for St. George Cemetery which pays attention to the perpetual upkeep of the cemetery grounds. They keep a separate bank account for the income received from the sale of burial plots as well as bequests and memorials left to the cemetery. Since the Committee has been in place for only two years, their resources have not grown substantially. I want to remind you that one special need you can leave money to in your last will and testimony is the perpetual care of St. George Cemetery. This will insure that the appearance of the cemetery for future family members who visit will show that we care for our deceased loved ones in an appropriate and respectful manner. The cutting of grass at St. George Cemetery is the most obvious way we show this. We are in need of someone to "weed-eat" around all the monuments. This is a tedious and time-consuming job, but very necessary. If you know of somebody who would like to earn some extra income and has some time to take this job on, please have them call the Parish Office at 486-2723. We can use them until November 2020 for sure, and-or, starting up in the Spring of 2021. Until such time, if there is anybody who might be able to join a few of our Knights of Columbus in donating some time to weed-eat, please call the same number. Thank you.....Msgr. Greg

ST GEORGE OCTOBER SMOGASBOARD: The second Sunday of October, we will have our annual Smorgasbord dinner. This event is sponsored by the Parish as a whole and we will need the usual volunteers to make it successful as has been in the past. You will receive a letter in the mail this week which explains how it too has needed to be changed in the wake of the present Pandemic. As with many parish picnics or festivals, the meal will be served "curb-side." So I ask you to check out the information in the letter you will receive and see how you can help. The usual meat donations will be requested, along with raffle tickets sold. Your help will be greatly appreciated.
