Children (6) .....\$ 6.00

Loose .....\$ 337.00

\$ 7,567.88

Property Maintenance ..... \$210.00

Education Fund ..... \$470.00

Thank you to all who regularly use their church envelopes, use automatic bill pay or give in the loose collection, and therefore, support your parish! Your sacrifices are appreciated.

FROM THE PASTOR: Our Rollin On The River live stream night for raffling off money prizes was a success. We reached our goal of 200 people and I want to thank all those who purchased tickets. I also want to thank those who donated back to the Long Range Planning Committee their winnings! Then also there were those who donated special gift items for some lucky "star" winners. Those are added bonus items which everybody looks forward to. Congratulations to all of you!! A big shout out goes to each and every member of our Long Range Planning Committee who made this possible. We all commented on the fact that it was a "strange" evening not having the meal and hundreds of guests present in the gym while the tickets were being drawn out of the turn-basket. Now I sort of know what the ball players are experiencing when they perform on the field with no fans present to applaud, shout, boo, and make lots of noise. It goes with out saying that the experience is "just not the same!!!!" We missed all of you who have been present in the past and have supported the event by purchasing silent and live auction items. But just be aware that we need those auction items for a virtual auction event in November. So please keep us in mind. If you can donate an item just bring it to the Parish Office or School Office and we will keep it safe. Those items and that silent and live auction are a huge part of past successes to the Rollin On The River. Please don't forget us!!

## ST GEORGE OCTOBER

**SMOGASBOARD:** The second Sunday of October, we will have our annual Smorgasbord dinner. This event is sponsored by the Parish as a whole and we will need the usual volunteers to make it successful as has been in the past. You should have received a letter in the mail which explains how it too has needed to be changed in the wake of the present Pandemic. As with many parish picnics or festivals, the meal will be served "curb-side." **So I ask you to check out the enclosed worker list and see how you can help.** The usual meat donations will be requested, along with raffle tickets sold. Your help will be greatly appreciated.
