

September

PSR PUBLICATION

In The News...

As we begin a new program year, a couple of things to keep in mind:

- Our St Cecilia PSR Facebook Page contains valuable information about our program and is updated as new information becomes available.
- The remind notification system is a way to be notified of all activities for our program and/or classes (closings / cancellations included)
- Please return all registration related materials ASAP
- The registration process was extended this year until September 26th, late registration will end on that date.

Special Events...

School Supply Drive

From August 22nd thru October 3rd

Our PSR Program will be collecting school supply donations to benefit our own PSR students and program. Please consider donating to this great cause. Donation boxes will be in the church and school reception area starting August 22nd. Thank you!! ***
