**We are a School of Choice**

### ***Faces of Faith in Christ***

#### **Greetings St. Gregory the Great Families,**

Today is day five into the school year and the students and staff are settling in to the routines and practices that support learning and faith development. We are so happy to be serving 244 students this year and are looking forward to all the blessings God will bestow upon us. Thank you for your support in making a smooth transition into the school year. We are grateful to have your children here.

#### **Faces of Faith in Christ**

We renewed our ongoing theme of being “Faces of Faith in Christ” at our prayer service last Friday. The students and staff made a commitment to wear their faces of faith by doing random acts of kindness, tending to the themes of Catholic Social Justice, and living out our mission to be *Positive people learning, living, and growing in Christ through faith and service*. Thank you to all who took the #FacesofFaithinChrist Challenge on Facebook on the first day. We loved seeing those smiling faces!!!

#### **Anniversary Year**

We have two big anniversaries to celebrate this year. St. Gregory the Great Parish School is celebrating its 60<sup>th</sup> anniversary, and The Archdiocese of Milwaukee will celebrate its 175<sup>th</sup> anniversary. As we look back at the rich histories of each, we remember and give thanks to the students, staff members, educators, families, and supporters who have shared in the teaching and mission of the church. We express our commitment to continue a Legacy of Learning for all students.

#### **Playground Construction**

In case you haven't noticed, we are finally getting our new playground installed!!! Students were glued to the windows on Monday when the old one was demolished. The new one should be completed just in time for the festival set-up next week. Stay tuned for the ribbon-cutting ceremony!

#### **Drop off and Pick up Detour to Begin Next Week**

**Please be sure to carefully read over the new procedures included in this packet for pick up and drop off for the days of festival preparation. It begins next week!**

#### **First Day Forms**

Please remember to complete and return the first day forms to the school office this week. The office staff must update files and organize information for the year ahead. Also, please remember that if any information for your child changes throughout the year we ask that you notify the office so we remain current with student information.

**It's going to be a great year!!!**

**Kind Regards,  
Amy Schlegel**

### **Many Thank You's!**

The St. Vincent de Paul Society held it's annual school supply drive at the weekend masses and our parishioners were extremely generous! We are truly grateful for the kindness given towards the children of St. Greg's! The supplies were greatly needed and they will be used throughout the year by the students. Thank you!
