Faces of Faith in Christ

June 6, 2018

Greetings St. Greg's Parents and Families,

The end of the school year always brings about a sense of accomplishment and pride. We have had a very productive year and the hard work and effort put forth by our students, faculty, staff, and families deserve a fun, relaxing summer break to recuperate. But please don't let the learning opportunities slip by this summer! Take advantage of your public library or other programs to keep your child's reading and thinking skills sharp and avoid the summer slide.

Report Cards and School Information

Your child's report cards and other school-related information will be sent home on the last day of school. Please look through the information as it pertains to Back to School Night and next year's classroom supply list.

Fun Day Corn Roast

The parish festival committee is hosting a corn roast on Friday, June 8 at dismissal time. Students and families are welcome to enjoy an ear of corn while learning about ways to volunteer for the festival. We are hoping to engage some new families to join the team of volunteers who make the festival a success each year.

Playground News

WE HAVE APPROVAL FROM THE ARCHBISHOP to begin the playground construction. We have a plan, we have the funding, and we are working on a contract and a date to break ground!!! Hopefully we will have it complete by next fall. Thank you to the playground committee for their time and effort in getting the project in motion: Rich Medina, Carrie Sorgi, John Farney, and special recognition to Mike Gutierrez for taking the lead and getting us this far.

Forward Exam

Students in grades 3-8 took the Wisconsin Forward Exam this spring. We usually do not receive the exam results until late July. In addition, the results of the exam will be used by the state to determine our School Report Card. St. Greg's will mail the results to this year's eighth graders and any non-returning students. We will distribute the rest when we return in fall.

Thank you for your contributions to our very successful school year. Please remember to continue our mission to be a positive person who learns, lives, and grows in Christ through faith and service. Have a safe and enjoyable summer.

Kind Regards,
Amy Schelgel

Congratulations Graduating Class of 2018

SAVE THE DATE Cans for Computers

Please donate your rinsed and crushed aluminum cans to support the 4th & 5th grade service project.

We will have a special drop off on Saturday, July 14, 2018
2:00-4:00 P.M.

All the money raised from recycling the aluminum cans will go towards
St. Greg's Technology Fund

(submitted by Mrs. Lisa Bayer)

Special Thank You

In May, Peter and Jan Carini opened their restaurant kitchen to the girls in Cadet Troop 8059, to show them behind the scenes at a successful Italian family restaurant. They shared the story of the restaurant and what it takes to produce high quality Italian food-from ordering and cooking to running the business. Best of all, the girls enjoyed a wonderful meal at the restaurant, located at 3468 N. Oakland Ave. Prior to their night out, the girls worked on table etiquette and also learned how to figure out a tip without using an app! Thanks to the Carini's for such a memorable night, and for their ongoing support of our parish and school.

Upcoming Events:
