

School Commission

Here's the report of what occurred at the October meeting:

*Ministry Fair was discussed and planned (display and coverage at all Masses)

*Fr. Tom was scheduled but was unable to attend

*Amy Schlegel (principal) gave us an update on

-the on-line grading system from the Arch. It is not working nor accessible at this time.

-outlined the plans for School Improvement Action Plan and dates in the next years

Short but productive meeting.

Take care,

Mary
