Dear Parishioners of St. Mark and St. Paul,

Last Sunday, we had our November Harvest meal at St. Paul after the 10 AM Mass. We had a great turnout for the meal, and the food was exceptional, in my opinion. I want to thank all those who helped to prepare the food and to serve it.

Our welcome guests for the meal were the men and women from Bright Life Farms. What a joy it was to have them, and they provided a little entertainment with song and quoting of scripture. It reminded me of when, in the past, if I was having a down day, all I needed to do was visit a first or second-grade classroom. It would surely lift my spirits. Bright Life Farm did that for me last Sunday.

This Sunday, November 16, we will have our Thanksgiving meal at St. Mark beginning at noon. It is always good to come together to give "thanks" to God for the many blessings we have. I personally give thanks to God for the many blessings I have received since coming to St. Mark and St. Paul. I also understand this time of year can be a not-so-good time, as we have loved ones who are no longer with us. Thank you to all who have worked to prepare the turkeys and all the trimmings. I look forward to our time together.

Please keep in your prayers our youth and their chaperones who will be traveling to Indianapolis this week for the NCYC (National Catholic Youth Conference). There will be young people there from all over the country. Their main objective is prayer and adoration of Jesus in the Blessed Sacrament. It is also a suitable time for the youth of St. Mark and St. Paul to mingle with other people their age from across the country. I want to thank both parishes for their willingness to be actively involved over the past six months with the fundraisers. We raised enough money to pay for everyone who will attend NCYC. That speaks volumes to me on behalf of the parishioners of St. Mark and St. Paul in wanting to support our youth. Thank you for your support.

May God bless you, your families, and our parish families of St. Mark and St. Paul.

Thank you.

Fr. Brad

This program presents, through a colorful, educational PowerPoint slideshow, the forces that ignited the great Catholic movement from England and Ireland to colonial Maryland. Catholics suffered under the tyranny of British monarchs and saw their churches pulled down, education forbidden, and their way of life destroyed.

Retired history teacher/author Eddie Price examines the "push" factors that brought Catholics to the New World, specifically to the colony of Maryland. He then examines the "pull factors" that drew Maryland Catholics across the Appalachians into Kentucky.

Eddie's books will be available for purchase
