November Prayer Intention: *The prevention of suicide*

Pope Leo's prayer begins by asking the Lord, who invites "the weary and burdened" to come to Him and to find rest in His heart, to accompany "all the people who live in darkness and despair, especially those struggling with suicidal thoughts."

"May they always, find a community that welcomes them, listens to them, and accompanies them."

November Devotion – *The Holy Souls in Purgatory*

Eternal Father, I offer Thee the Most Precious Blood of Thy Divine Son, Jesus, in union with the masses said throughout the world today, for all the holy souls in purgatory, for sinners everywhere, for sinners in the universal church, those in my own home and within my family. Amen.

According to tradition, Our Lord told St. Gertrude the Great, a 13th-century German nun, writer, and mystic, that each time she piously recited the following prayer, it would greatly ease the suffering of those holy souls in purgatory.

Springs IN THE DESERT

The cross of infertility can be an especially hard one for Catholic couples to bear, as they long to become co-creators with God and receive the blessing of children in their home. This cross, carried day after day, month after month, and year after year—often in silence—can put them to the test as they strive to discover how God is calling them to live out their unique call to fruitfulness in every moment.

At Springs in the Desert, we are working to break the silence and isolation that comes with infertility, and pregnancy loss. https://springsinthedesert.org/blog/
